

Meet the team at Dee Why and two of our quality temps who are representative of the calibre of people we currently have available!

Office Administration

Chris Allen runs the Office Temporary Division and can assist you in finding casual staff from 4 hours to 4 years! Chris joined Exact as a temp and enjoyed it so much she decided to become a consultant! This hands-on experience has been invaluable in ensuring she understands how important it is to find the right temp to fit your business.

Elaine Morris runs the Office Permanent Division and her goal is to match the perfect candidate to your business. Elaine has extensive experience in corporate HR which enables her to establish a strong partnership with you during the recruitment process to ensure we meet your exact requirements.

Manufacturing / Distribution

Antonella Mesk and **Mandy Townsend** run the busy Industrial Division and their exceptional service and dedication to your business needs are second to none. Their combined years of experience and training ensures complete understanding of the requirements of roles in this business sector and you can be assured of having the best candidate for your needs.

Brooke

Brooke is a local Northern Beaches girl who is friendly, confident, motivated and extremely organised. Brooke has excellent allround office skills including reception, administration, good computer skills and a particularly strong emphasis on customer service. Brooke has attained a Bachelor Degree in Aviation and is currently studying to become a pilot whilst also volunteering as a Surf Lifesaver. Our clients have all appreciated Brooke's "can do" attitude, her range of office skills and her adaptability to a variety of office environments.

James

James comes to Exact with extensive experience within a manufacturing environment as well as having team leader experience within a warehouse. James has completed his Warehouse Certificate 3, is a qualified forklift driver, both LF and LO and is fully GMP trained. We have always received great feedback from our clients in relation to James' work and attitude and in the past has been offered permanent employment by one of our high profile clients. James is looking for a role either in manufacturing or warehousing which will enable him to utilise his skills and experience and provide him with a challenge.
